ITEM #E1591

1 GANG ELECTRICAL BOX, NAIL ON, NEW WORK

2 HOUR
FIRE RATING

This 1-gang new work electrical box is designed for use with non-metallic sheathed cable in residential and light commercial applications. Molded from durable polyphenylene oxide (PPO), it offers strength, heat resistance, and long-term performance. Captive nails are pre-installed and held firmly in place for fast, accurate stud mounting. Features four knockouts, 18 cu. in. capacity, ETL listing, and a 2-hour fire rating. Available in multiple colors, with custom options.
