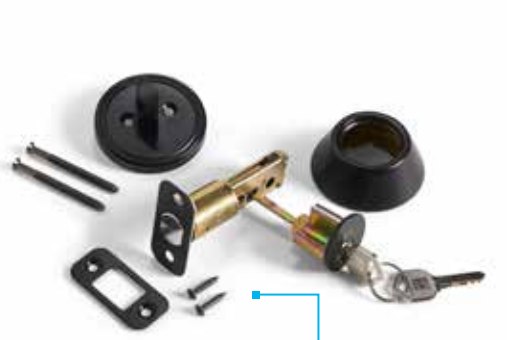
SINGLE CYLINDER ENTRY DEADBOLT

This single cylinder deadbolt adds keyed security to exterior entry doors in residential and multifamily units. It locks and unlocks with a key from the exterior and a thumb turn from the interior, for simple everyday use.

Built with stainless steel components and finished in matte black, the deadbolt matches Proponents passage and privacy levers for a consistent hardware package. It installs in standard double-bore door preps, including the Proponents 2-panel steel entry doors.



SPECIFICATIONS

PACKAGE CONTAINS	Deadbolt, keys (set of 2), strike plate, mounting screws, installation instructions
MATERIAL	Stainless Steel
FEATURES	• Single cylinder: key outside, thumb turn inside • Stainless steel construction • Matte black finish coordinates with Proponents door levers • Fits standard double-bore door preps
