ITEM #IF1686

MDF DOOR & WINDOW CASING MOULDING, 4 IN.

This MDF baseboard moulding is designed for interior trim installations requiring consistent sizing and paint-ready surfaces. The moulding is factory primed on both the face and back using gesso and waterproof glue to help reduce moisture absorption and maintain dimensional stability. The smooth MDF surface supports uniform paint coverage, and the 4-inch flat profile integrates into standard residential and light commercial baseboard layouts.

SPECIFICATIONS

APPLICATIONS	• Interior baseboard trim • Residential interiors • Light commercial interiors • Paint-grade trim packages • New construction and remodels
MATERIAL	MDF (Medium Density Fiberboard)
FEATURES	• MDF construction for uniform profiles • 4 in flat baseboard design • Gessoed surface • Waterproof glue primer • Primed on face and backside • Factory primed and paint ready
