GLASS CORNER SHOWER SHELF WITH BRACKETS

This glass corner shower shelf is used for storage of toiletries and accessories in showers and bathrooms. Its compact footprint supports corner installation in tight spaces.

Builders select this shelf for corrosion resistance and complete, ready-to-install packaging. Included hardware and instructions reduce sourcing and coordination during finish installation.

The shelf measures 9.8 in. × 9.8 in × 1.6 in and is made from 7 mm tempered glass with a protective front rail. It is supported by two rustproof stainless steel brackets with a matte black finish and is rated for up to 11 lb (5 kg).
