FIVE KNUCKLE STEEL DOOR HINGE, MATTE BLACK

This 3 in. × 3 in. full mortise butt hinge is made from steel with a matte black finish for interior door installations. Five knuckles provide smooth, reliable pivot motion, and 5/8 in. radius corners fit standard pre-mortised doors and jambs.

Matching black screws are included for a clean, finished look. The matte black finish matches Proponents passage levers, privacy levers, and door stops for a consistent hardware package across every unit.

SPECIFICATIONS

PACKAGE CONTAINS	Hinges with matching screws
MATERIAL	Steel
FEATURES	• 3 in. × 3 in. full mortise butt hinge • 5-knuckle design for smooth operation • 5/8 in. radius corners fit standard door preps • Matching black screws included • Matte black finish coordinates with Proponents door hardware • Included with Proponents door kits
INSTALLATION NOTES	Designed for interior installation with supplied jamb components and hinges. Assemble and shim jamb to ensure the frame is level, plumb, and square before fastening. Install hinges using supplied screws and align with pre-mortised hinge locations. Door is pre-bored for standard lockset hardware. Seal and paint all primed surfaces after installation.
DIMENSIONS	3" x 3" with 5/8" radius corners
