ITEM #OUTDOOR-FURNITURE

OUTDOOR FURNITURE COLLECTION

This outdoor furniture collection furnishes pool decks, clubhouse patios, and rooftop terraces with coordinated lounge and dining pieces. Every piece shares a brushed aluminum frame in a champagne finish, so seating and tables mix and match across an entire amenity space.

Lounge seating pairs olefin cushions with high-density foam for comfort that stands up to sun and moisture. Dining chairs use a quick-dry sling seat, and tables are topped with a low-maintenance wood-look composite. Pieces are sold individually, so each layout can be built to fit the space.
