ITEM #P1729

16-IN. STAINLESS STEEL GOOSE NECK KITCHEN FAUCET

MORE STYLES AVAILABLE

ECOPONENTS

This single-handle kitchen faucet features a high-arc goose neck spout and pull-out sprayer for everyday kitchen tasks. The body and handle are made from 304 stainless steel with a matte black finish. The sprayer swivels 360° and provides two spray functions for rinsing and cleaning. The faucet uses a ceramic cartridge for smooth operation and installs through a single-hole deck mount using the included flexible supply lines.

SPECIFICATIONS

APPLICATIONS	• Residential kitchens • Multi-family housing projects • Kitchen sink installations in new construction or remodels • Builder-standard kitchen fixtures
MATERIAL	304 Stainless Steel body and handle
FEATURES	• High-arc goose neck spout • Pull-out sprayer with dual spray functions • 360° swivel spout • Ceramic cartridge valve • Flexible braided supply lines included • Flow rate: 1.8 GPM at 60 PSI • Lead-Free and cUPC certified • Complies with AB1953 and NSF/ANSI 61
